About us

MARO Office Furniture

For 30 years, we have been making sure that office work is comfortable and ergonomic. Our furniture demonstrates our professionalism and love for what we do. We are passionate about creating exquisite and functional things and that translates into a quest for new solutions that turn concepts into products at a higher and higher level. Using innovative engineering solutions, we strive for ensuring that our products are top-notch. Our quality has been proved by ISO 9001 and Geprüfte Sicherheit certificates. This is possible thanks to our technology park, where world-class techniques come together under one roof. As a responsible producer, we wish to minimize our ecological footprint and expect the same from our suppliers

Eco-friendly solutions, modern production methods and processes and the products themselves together with their durability prove our huge respect towards the environment and sustainable development.

Actions for the environment

Environmental awareness is the first step to preserving nature and protecting the climate. At MARO we believe that we have not inherited the environment from our parents, but only borrowed it from our children, therefore we are thinking ahead taking responsible actions and requiring the same from our business partners. At every single stage of our activity, we opt for rational, eco-friendly solutions since by conserving the natural environment, we can secure a better tomorrow for everyone.
